L'italia negata (Italian Edition) David Stoppa

"L'Italia negata" vuole essere il primo lavoro di un'opera complessiva più ampia che si svilupperà nella forma di una trilogia, concentrata a venire a capo della questione riguardante l'italianità o se si vuole del caso Italia.

Per cui il movente di tutto apparirà chiaro essere stato il voler partecipare al dibattito sull'attuale condizione disastrosa del nostro paese per cercare di contribuire al suo risanamento provando a portare alla luce quello che proprio la nostra situazione non permette a tanti di vedere. Il percorso d'indagine scelto è quello umanistico. Esso quindi non vuole confondersi con un esercizio che tenti di risolvere nel circolo chiuso e breve di se stesso i dilemmi della nostra storia ma essere, pure se entro certi e inevitabili limiti, un'indagine culturale capace di mantenersi aperta e in continuo divenire. Il compito cui esso vuole assolvere è quello di cominciare a far capire, provando ad armare il Lettore della consapevolezza che la soluzione ai problemi per via umanistica può concepirsi solo riconoscendo valore alla capacità educativa che sa svolgere su ognuno di noi la conoscenza.
