Dr. Seward finds things are happening beyond his understanding and hopes that Professor Van Helsing can help him. Lucy Westenra sleepwalks at night and is found in the morning, nearly drained of blood. Renfield, however, now has figured out what life truly is...human blood is the secret. Rating: 10 out of 10. "...a rare treat; a truly classic piece... Whether you're a horror buff, a comics fan or just one who enjoys this chunka reading format, you're in for a treat if you pick up this book. It's a rare treat; Taking an underutilized, yet pivotal character from Bram Stoker's classic DRACULA, he is turned into a central character in his own right, taking him into a downward spiral of his own hell. A "MUST HAVE" for the serious comics fan. Get out there & get YOUR copy." - Dimestore Reviews
