## **The End of the Alphabet: Poems** Claudia Rankine

These poems — intrepid, obsessive, and erotic — tell the story of a woman's attempt to overcome despair. Claudia Rankine, whose first collection was the prize-winning *Nothing in Nature is Private*, creates a transfixing testimonial to a woman facing her own disease. Drawing on voices from *Jane Eyre* to *Lady MacBeth*, Rankine welds the cerebral and the spiritual, the sensual and the grotesque, courting paradox into the center of her voice.
